Lawn sprinklers that won't break at first service, rust and get out of order easily, is what the public wants. Dean & Horton, as of yore, keep a line of them that they can fully recommend and will be glad to show them to you at 1540 O street.

The reception tendered Rev. O. F. Baker and bride at the Baptist church, corner Land Fourteenth streets, Thursday evening, was a very enjoyable affair. The church was nicely decorated with flowers and presented a very attractive appearance.

Why wear out your rubber hose dragging them over the ground? You can save the price of your hose in one season, to say nothing of the convenience afforded, if you will get one of those improved hose reels at Dean & Horton's, 1540 O street. Step in and see them.

When you want real good, first class garden hose it does not pay to get trashy goods or poor rubber. Consult them before buying. 1540 O street.

The fortunate gentlemen are two rising young business men of Chicago, Mr. Shepherd having been connected with the Milwaukee & St Paul railroad for the past nine years.

The house was beautifully decorated with roses and potted plants, and to the delightful strains of Mendelssohn's Wedding March, played by Mrs. Wurzburg, the wedding couples entered the parlor where the impressive ceremony was performed by Rev.
